Born Free

Dedication

A dedicated man, the Dean
of Administrative Services
Ever smiling . . . Always sincere
in his work . . . Constantly
planning for the future of
Wilkes Community College . . .
In appreciation we, the
students, dedicate the 1971
Cougar to Mr. Conrad A. Shaw.

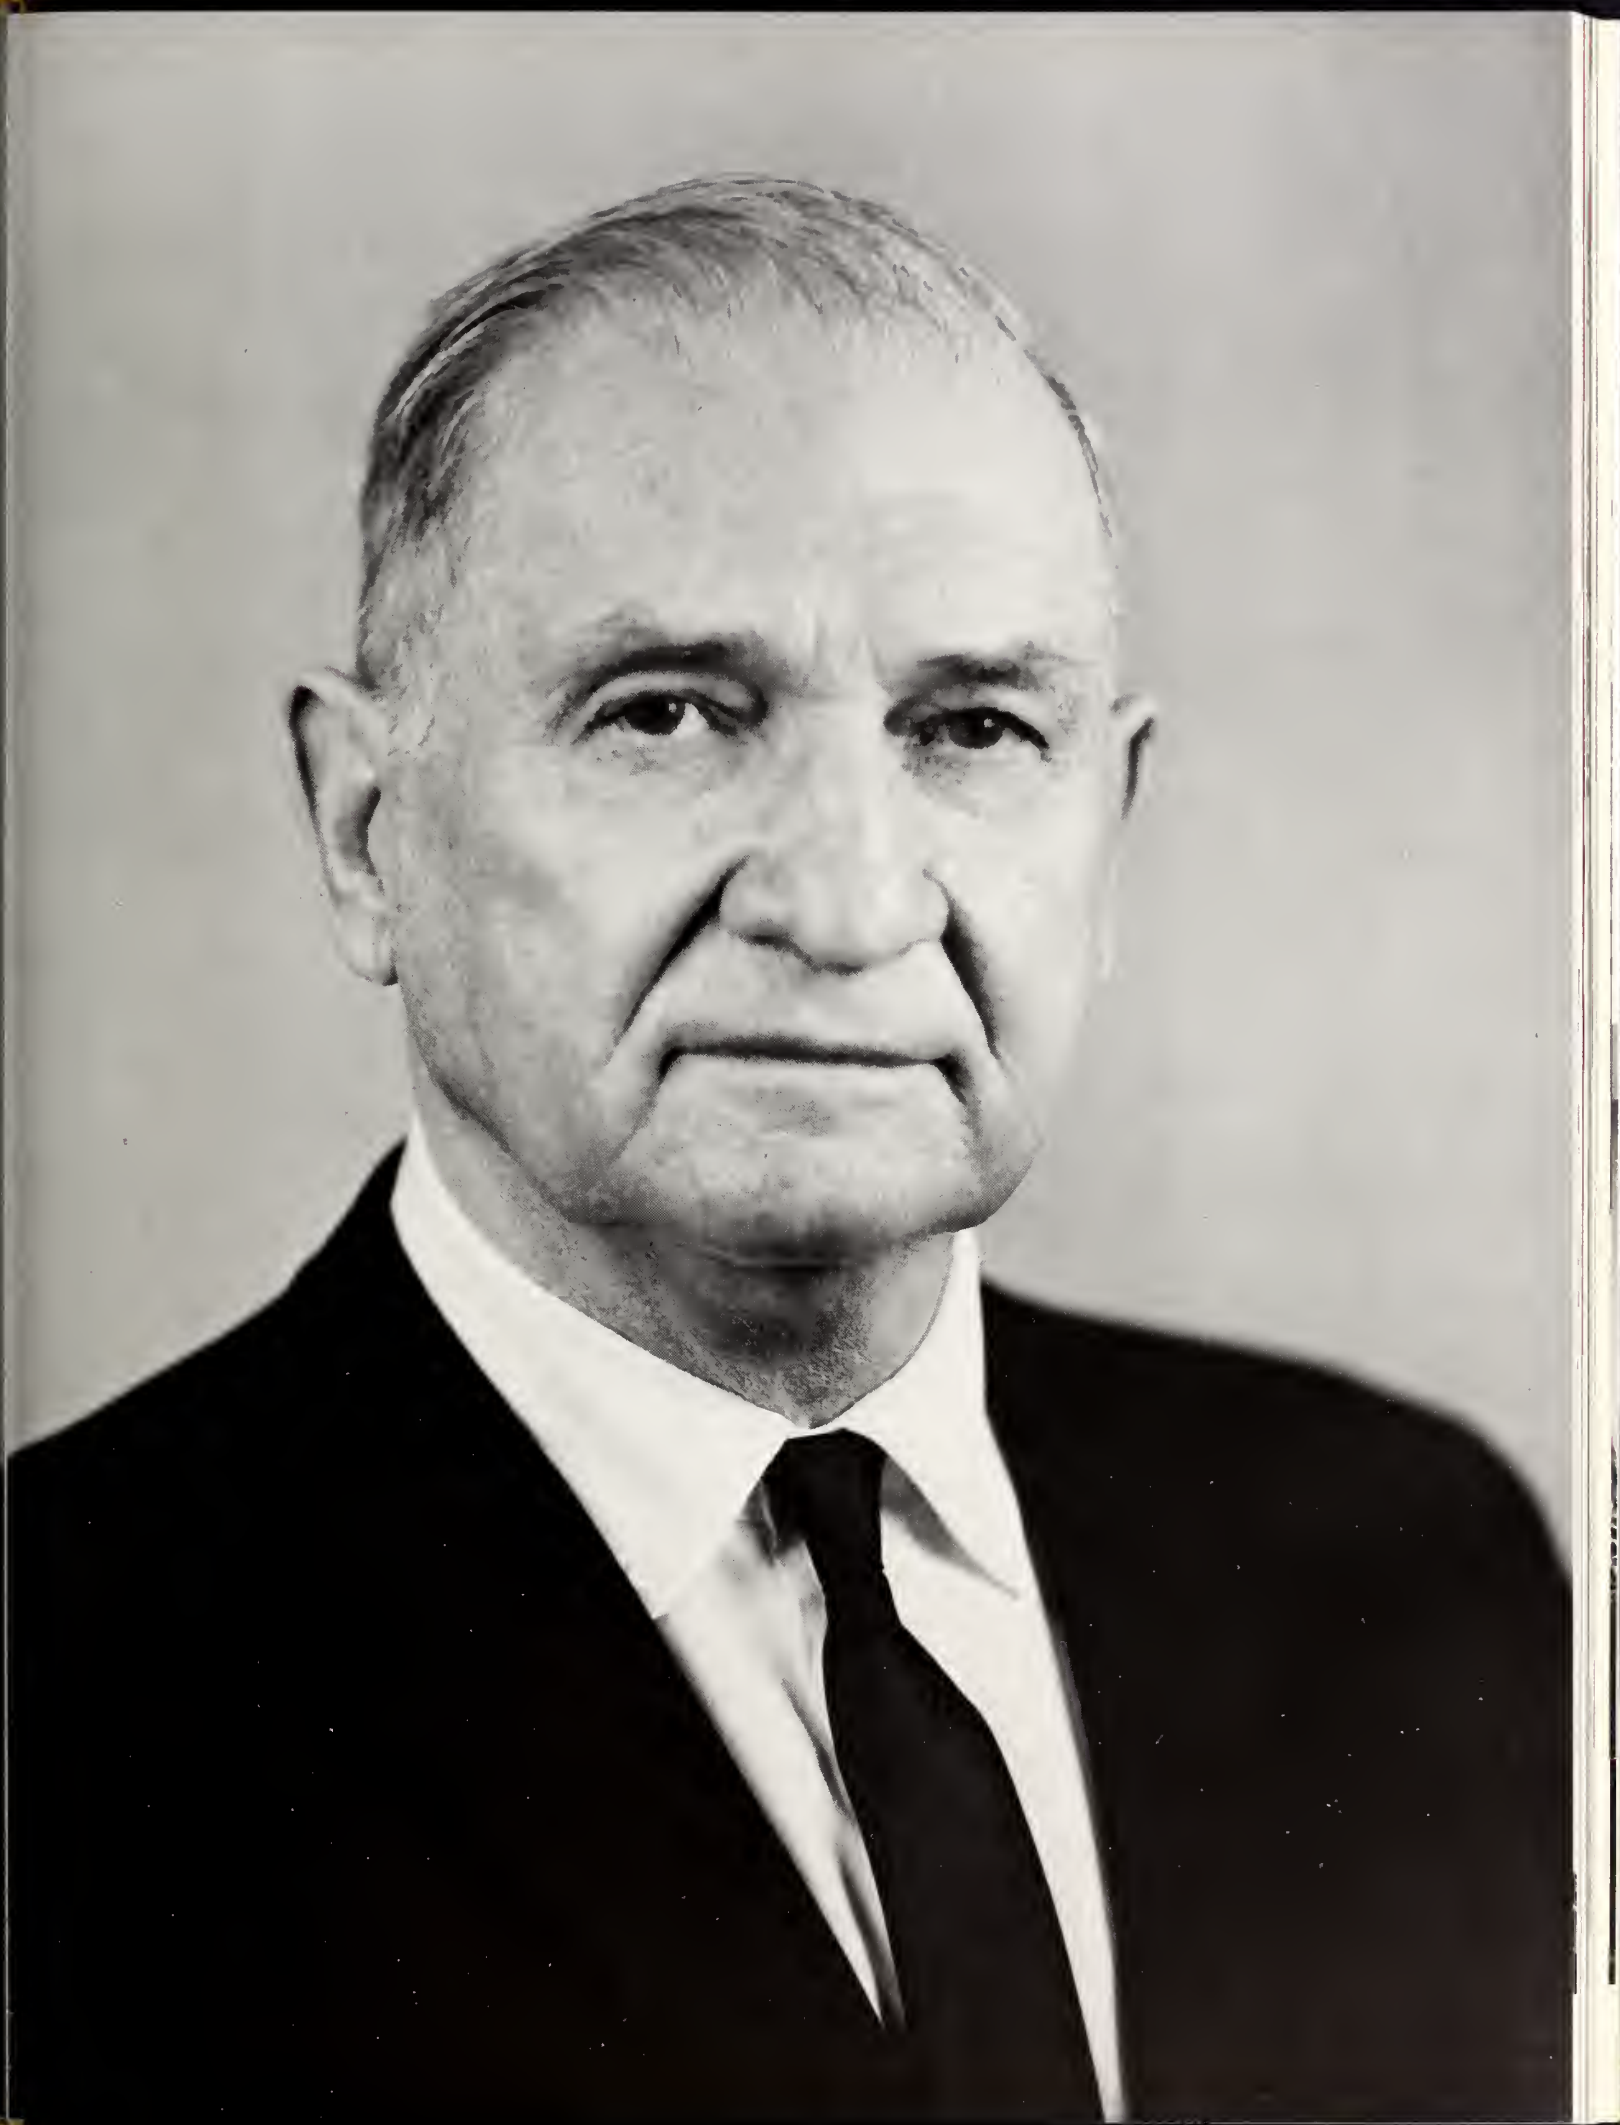

In Memory of

Judge Johnson Jay Hayes

October 22, 1970

Judge Johnson Jay Hayes preferred the challenges of life. He stood erect, proud and unafraid. His thoughts and his aims were continually directed toward the betterment of the people of his beloved "Land of Wilkes". Education was his obsession. His insatiable desire that education be within the physical and financial reach of all was the cornerstone on which Wilkes Community College was erected.

Few men in their lifetime are privileged to witness the fruition of their greatest desire, but those who were touched by this beloved jurist feel that Judge Hayes saw the consummation of his work and felt content as he joined forces with the greatest of all teachers.

Establishment

Board of Trustees

Left to right: Mrs. John W. Andrews, Dr. Seth M. Beale, Robert R. Smoak, Don T. Culler, L.P. Somers, Jr., Judge Robert M. Gambill, Richard B. Johnston, Milton J. Ingram, Gordon E. Rhodes, Robert L. Strickland, Judge Johnson J. Hayes.

Kyle Hayes

Mrs. Fred Lovette

President of WCC

Dr. Howard E. Thompson

The most memorable event of the 1970-1971 college year was accreditation by the Southern Association of Colleges and Schools. Students and faculty should share the accolades in making this possible. Wilkes Community College is definitely a college-on-the-move.

Living Free

To condense an entire year of "happenings" and activities into one volume requires many long hours of work. . . Hurry! This has to be mailed before midnight. . . mounting frustrations. . . The pictures still haven't come. . . Sorry we're late, but you would never believe. . . Ice, sleet, and snow stops school, but not the annual staff. . . Hey! The deadline was yesterday!. . . an abundance of fun. . . Cut that out, you two. Finally, we've got it all together. . . finished.

Our theme, "Born Free", is a beautiful song. We feel it not only has good rhythm and poetic rhyme; it has something to say concerning today's youth, especially the students of WCC. That something is freedom. The sounds of freedom are familiar in the classes as well as in the commons.

We, the co-editors, would like to thank everyone for his time and effort, but most of all for the fun and the great memories. It is our wish that the class of '71 and the underclassmen may see that "life is worth living, but only worth living 'cause you're born free."

Larry Souther
David Reeves
